

Carly Shane

My name is Carly Shane and I am entering Grade 11 at Smith Falls High School in Smith Falls, Florida, USA. Currently, I have a cumulative 3.5 GPA. My SAT score is 1200. I am looking forward to attending college and playing golf during the 2015-2016 season.

My golf journey seriously began in the spring of 2012, when I applied and was accepted on the Junior Golf Performance Team. I am working on developing my new found passion. My handicap to date is 1.8.

I am applying to colleges/golf teams that have the best academic and athletic fit. I reviewed your website and had a chance to review your accomplishments. I feel that my passion for golf, paired with my business career path, as well as the fact that I am a hard worker make your school a good fit.

I have improved my game by 4.5 strokes in my third year of competitive play due to working with my coach, many hours of practice, and learning control of my mental game. In addition, my school and team spirit are second to none. I feel that these traits have led me to apply for an athletic scholarship with your college/team.

Thank you for taking time out of your busy day to review my resume and a link to my golf swings. I look forward to hearing from you soon.

Sincerely,
Carly Shane
